CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 102 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. Learn how to write, style, and format your product description copies professionally. I have been with Amazon in a long time and have realized from my experiences that when one overlooks guidelines on how to do certain things he doesn't know, he ends up wasting time, energy, and money trying to correct his mistakes over and over again. Your description is your representative which stands face to face in an interactive manner with your potential customers. It does not describe the product alone, but also, the manufacturer's level of reasoning. That is why you ought to treat it with respect. Don't give room for a page or less to dirty the work you spent months or years to produce. A filthy description page is an eyesore to customers and a disgrace to its brand. This book is waiting to teach you all of the following: 10 tips to use when writing your product description. Places to format your product description (examples given with diagrams). How to format your product description using plaintext. Merits and Demerits of plaintext. How to format your book description using Author Central. Merits and demerits of Author Central. How to use HTML tags even as a complete Newbie. HTML tags allowed by Amazon. And many many more without the involvement of your dollars or sweat. This item ships from La Vergne, TN. Paperback.
