Endeavor Academy, United States, 2011. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.These essays with their manifold topics are all part of the greater conversion in His Mind, the Mind of Jesus Christ, looking at the singular meaning given by the awakened Mind in relation to ideas raised in the science communities, religious establishments, philosophical discussion forums, addiction related recovery groups, health and wellness propagating organizations, esoteric circles, end-scenario prophets and Course in Miracles study and discussion groups. All of them have in common that they show interest for a real solution to the problem of the human condition in separation with its true Source. Most of them are interested in a change of mind and a possible or necessary experience beyond postulated concepts, an Experience of oneness of Mind, God. A blue-print is presented - as the Way back Home and restoration to Knowledge - recovered within a memory that was never lost, or that has been newly downloaded by HIM into the mind of the human species in its natural progressive evolution to enlightenment and extension of the Creative Mind as understood in the original sense of Thinking without the need of existence - Being the Thought before time was and after time is over.
