BACKYARD CHICKENS STARTUP: HOW TO START, RUN AND GROW A MINI CHICKEN FIRM IN YOUR OWN BACKYARD ON A BUDGET (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Backyard Chickens Startup How To Start, Run And Grow A Mini Chicken Firm In Your Own Backyard On A Budget I have been growing chickens in my backyard for last 27 years. But only in the last ten years, I have noticed more and more people are getting interested about growing their own mini chicken firm in their backyard. When I ask them why. Most say it is because they want fresh eggs and meat that are free of antibiotics and hormone. It was last year when I helped a physician and his family get started in backyard chicken growing; in that process I found out something that can be scary to everyone. As usual I asked him why he wanted his mini chicken firm, his reply was to stay alive, that answer was rather unusual, and I figured he meant it as a general statement. But he didn't. He explained that he works as one of the lead scientist working on Cancer. According to their research, they see one the leading causes of cancer, obesity, diabetes and some infections that are becoming an epidemic in the western counties are from the high amount of antibiotics and hormone in meat, egg, and poultry. Any of you reading this, I am sure you too know someone who is suffering from one of those four diseases. Though this book is not about how to cure those diseases, but I wanted to mention what this doctor had told me, so in the event, you are still on the fence about whether or not to get started with this project, maybe this will give you enough reasons to get started today. I was asked to...
