William Morrow Company, 2004. Paperback. Condition: New. Reprint. Language: English . Brand New Book. You may not be his first wife -- but you want to be his last! More than half of all American women between the ages of 18 and 54 will date or marry a divorced man during their lifetime. Entering a relationship with any man is daunting. But entering one with a divorced man means navigating a host of new and complicated problems. Will remnants of his past -- his guilt, the X, their children, the financial and legal fallout -- wreak havoc on your sanity and finances and sabotage your quest for love? In this reassuring book, Leslie Fram combines fundamental wisdom, guerrilla tactics, and humor to inform and empower the millions of women who are dating divorces -- and the many more who someday will.
