**FATE MORELAND S WIDOW: A NOVEL (HARDBACK)**

University of South Carolina Press, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. On a placid Blue Ridge mountain lake on Labor Day Weekend in 1935, three locals sightseeing in an overloaded boat drown, and the cotton mill scion who owns the lake is indicted for their murders. Decades later Ben Crocker - witness to and reluctant participant in the aftermath of this long-forgotten tragedy - is drawn once more into the morally ambiguous world of mill fortunes and foothills justice. The son of mill workers in Carlton, South Carolina, Crocker is caught between competing loyalties to his family and future. Crocker wanted more than a rough-hewn life on a factory floor, so he studied accounting at the local textile institute and was hired as bookkeeper to the owner, George McCane, a man as burdened by his familial ties as Crocker and even less prepared for the authority of his mantle. McCane's decision to renovate the Carlton Mill and lay off families connected to the Uprising of 34, one of the largest labor strikes in U.S. history, puts Crocker in the ill-fitting position as his boss's enforcer. Days after the evictions, the surprise indictment lands McCane in a North Carolina mountain jail and sinks Crocker even deeper into the escalating tensions between mill workers and the owners. While traversing mountain communities in McCane's defense, Crocker must also manage the forced renovation of the Carlton Mill, negotiate with labor organizers led by local hero Olin Campbell, collaborate with McCane's besotted brother, Angus, and fend off his father's and wife's skepticism of his own social aspirations. Hanging distractingly over Crocker's upended life is his burgeoning infatuation with Novie Moreland - the young widow of one of those McCane is accused of killing. Though unrequited,...
