Dog Ear Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Survival Island is the story of three people surviving separate tragedies and ending up together on an uncharted island under unusual circumstances. Recent widower Mike Paskall, trying to put some meaning back into his life, has his boat sunk on the island s reefs during a storm. His life is saved by Tana, a native girl, who has been cast out of her village because their god refused her as a human sacrifice. Michelle Fouquet is on her way home from college when her plane is struck by debris from a falling Russian satellite. She wakes up in a native village, where a juju fondles her naked body, preparing her for a human sacrifice to a flesh-eating tree. Mike and Tana rescue her, and the three live together near the top of the only mountain on the island. Both girls know and strangely approve of Mike s making love to the other. Then a brutal village-to-village search for Michelle sparks a war among the natives. With radio equipment salvaged from the life raft Michelle was in after the plane crashed, Mike starts sending out SOS signals. A ship finally does home in on the faint transmission, but as it approaches the lagoon below their camp, so do the natives.
