Puffin. 1 Paperback(s), 2014. soft. Book Condition: New. Who could tell the true stories of the gods and goddesses of Olympus better than modern-day demigod Percy Jackson? This unusual mythology guide for readers 9 and up (the British edition of Percy Jackson's Greek Gods) offers Percy's own take on the Greek gods that made such a mess of things in both the Percy Jackson and the Olympians and the Heroes of Olympus series. Want to know how Zeus came to be top god? How many times Kronos ate one of his own kids? How Athena literally burst out of another god's head? Percy gives his hilariously sarcastic perspective on the gods' feuds, fights, and love affairs. "If you like horror shows, blood baths, lying, stealing, backstabbing, and cannibalism, then read on, because it definitely was a Golden Age for all that." This edition includes the bonus short story "The Son of Sobek," in which Percy Jackson meets young Egyptian magician Carter Kane. 464.
