Winter Survival Hacks 35 Hacks to Help You Survive This Winter Winter weather is here again, and with it come all kinds of great times out in the snow. You love to be able to get out there and hang out with your friends and loved ones in the winter wonderland that is painted before your very eyes, and you know that there is nothing better than getting to enjoy all the rich things that the season has to offer with the falling snow. But, its no secret that with winter comes a level of hardship that you just cant get around. Sure, it would be nice if it didnt get so cold, and it would certainly be nice if you didnt have to worry about the ice on the walkways or in the drive. Your power bill goes up and so does your gas. You spend more money on trying to stay warm than you do on anything else it seems. Its no secret that winter has its fair share of harder living. From the danger that you could potentially face with your winter adventures to the things that you just dont want to deal with around your house, you have to be careful with what winter throws your way. And thats where this book comes in. In it, you are going to discover a world of winter wonderland hacks that are going to make your life so much easier this winter season, no matter how hard or how mild or severe this winter may be. You...
