By Minute Help Guides

Createspace, United States, 2012. Paperback. Book Condition: New. 249 x 193 mm. Language: English . Brand New Book ***** Print on Demand *****.Since jumping headfirst into the e-reader/tablet market with the original Nook in late 2009, Barnes and Noble has been on a nonstop quest to innovate and reimagine what an e-reader can be. What started as a pretty standard e-ink device grew into a full-fledged tablet within a year. The Nook Color became an early hit with the Android customization crowd. The Nook Tablet followed soon after, cementing the company's reputation for quality and durability at a previously unheard of price point. In fact, the original Nook Tablet quietly became the number three device on the market, beaten only by the iPad and the heavily-marketed Kindle Fire. Enter: Nook HD. One of the last remaining bookstore chains in America, Barnes and Noble is using their network of stores and publishing relationships to gain their rightful share of tech-savvy consumers. The Nook HD and Nook HD+ are a great leap forward for the company. True tablets in every sense of the word, these devices can go toe to toe with the best offerings from Google or Apple, besting them...
