## BLISS, CHAOS, A BIT OF THE LOST HEART: STEPPING INTO THE LOST HEART

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Stepping into the Lost Heart is mostly some of my earlier poems; written from a time when I was just getting into the world of poetry. These poems range from first loves of a teenager, being alone, anger towards your peers for their treatment, so much more is found within this first collection of my poetry. The reason I have decided to call the first collection of the series, Stepping into the Lost Heart is because these poems come from the awkward times of youth trying to grow up as well as those first steps into the real world. That real world shock when suddenly everything you watched on TV looks like a joke is nothing like what you had imagined it would be like. Take a step into a person s heart and see how lost they can truly be within the eternal conflict of emotions that dwell and often are kept silent from the world. So, do you have the courage to take a step into a lost heart s mute battle within its own personal sanctuary that also can be its own personal prison.
