Carnegie-Mellon University Press, United States, 2016. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book. In Rachel Richardson s second collection of poems, she juxtaposes the grand quests of Ahab and Melville with the quotidian journeys of contemporary life. *Hundred-Year Wave* launches stories of marriage and motherhood over the currents of a nearly mythological ancestry: women and men who built their possessions out of iron and flour and whalebone and wool. If reaching back into the past is akin to plumbing a depth, then Richardson exhibits the rare abilities of craft to build, from our language, vessels light enough to travel on that element, but sturdy enough to weather the storms we are likely to find there.
