Who doesn't know of sock monkeys? America's red-heel sock monkeys, born from the folds of every day work socks from as early as the 1930s, have graced our lives for decades. They have heard our secrets for generations and have been recipients of our tears in times of happiness and sorrow, making them perfect to share in life's celebrations. The humor of our unique, flamboyant soft-sculptured friends-with their bright red grins, gangly limbs, and long tails-comes to life with sole-felt insights and endearing photographic images from the Sock Monkey Lady's portfolio. Each page, highlighting fun phrases with photographs of socktastic sock monkeys parodying life, sends a sentimental message-sock monkey style! The pages of On Your Socksational Day flow like one big greeting card without the envelope!.
