

The Story of the Guides (Paperback)

By George John Younghusband

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is given to some regiments to spread their achievements over the quiet centuries, while to the lot of others it falls to live, for a generation or two, in an atmosphere of warlike strife and ever present danger. The Guides have been, from a soldier's point of view, somewhat fortunate in seeing much service during the past sixty years; and thus their history lends itself readily to a narrative which is full of adventure and stirring deeds. The story of those deeds may, perchance, be found of interest to those at home, who like to read the gallant record of the men who fight their battles in remote and unfamiliar corners of the Empire across the seas.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
