Dodo Press, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. THE following pages have been compiled from records of my own personal experience as a clergyman working and living amongst the poor in one of the worst districts of Central London, if not the worst in the whole of this vast metropolis. But although most of the narratives refer to events of recent date, and all bear, more or less, upon the leading social question of the day, the condition of the London Poor, the plan of this work is by no means of recent conception; nor was it first suggested to me by the popular agitation now going on.
