

## The Gossamer Nature of Random Things: A First Collection of Poems (Paperback)

By Howard Brown

iUniverse, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Gossamer Nature of Random Things presents a collection of introspective poems composed over a twenty-eight year period by writer and poet Howard Brown. These poems are based on the random observations and internal reflections of the author on a wide range of topics: from encounters with interesting people, to special places he has visited, to the unique nature of the moon and its cycles. His poems reflect upon everyday joys and sorrows- whether chronicling an enjoyable afternoon at his daughter s house listening to his grandchildren at play in Alicia s Backyard, or musing in Ghost over the futility of trying to hold on to the past. The Gossamer Nature of Random Things provides an intimate look into the life and emotions of one man-a sort of personal journal in verse form. Kaleidoscope Sheltered by a neon sky, the mountain, a collage of red, green and gold, the magic of the landscape enhanced by its own inherent transience.

### Reviews

*This publication may be really worth a go through, and a lot better than other. It really is writter in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Natalie Abbott**

*This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.*

-- **Rene Olson**
