Duke Angbard, the Clan's leader, had been laid low by a stroke, and plotters are already conspiring in readiness for the deadly dance to come. Miriam, rescued from a tight spot in New Britain, finds the hopes of the young progressive faction focused on her. But do they want her as a leader or a figurehead? She soon finds herself thrown into a desperate struggle for power. Meanwhile, unbeknownst to the Clan, researchers working for the U.S. government have achieved a technological breakthrough. The War on Terror is about to go transdimensional, and nuclear. And the Clan has nuclear weapons, too. 8vo - over 7¾" - 9¾" tall.
