Square One Publishers, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. There exists today a distinct threat to all of civilization as we know it - right now, tomorrow or next week, not vague decades in the future as predicted by the environmentalists. The unchecked proliferation of electromagnetic technology worldwide, can wipe out all that we rely upon, be it by accident or by hostility. In this book the author talks about the ancient prophecies warning us not to repeat their mistakes, how electromagnetic pulse weapons threaten to wipe out electricity based infrastructures, the possiblilty that weather modification technology is being used as a weapon of war and many other thought provoking issues.
