

Happiness Is a Good Story: Finding Meaning in Life's Experiences (Paperback)

Filesize: 4.66 MB

Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Germaine Welch)

HAPPINESS IS A GOOD STORY: FINDING MEANING IN LIFE S EXPERIENCES (PAPERBACK)**DOWNLOAD**

Harmony World Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Our personal stories shape our lives. Human beings were designed to create stories, make meaning, and interpret the world we perceive. This ability to make meaning defines our humanity as opposed to animals or plants. Our stories about ourselves and others are the meaning that we have made up to make sense of something that has happened. However, our suffering also lies primarily in the meaning that we have given to what has happened. If we assign the meaning to what happened, then we also are empowered to change the meaning that we create. To regain our empowerment, we have an opportunity to create stories that open up new possibilities, re-frame a situation, or re-tell our story to ourselves from a different framework. This book provides specific examples for how to transform your meaning-making process from one that is disempowering to one that empowers you as the hero of your own story. In a novel, I jump temporarily into the fabricated life of the main character. Here, I am the protagonist, the story is real; it is mine and the author walks along temporarily, offering permission and tools. I can choose to make it a good story. I am the Shero, empowered to live and enjoy the story I create. So much more than a good read! Margee Doscher, Founder/Director, The Studio for Experiential Learning This book presents familiar concepts in a new and thought-provoking framework. Reading this book has made me more aware of the stories I continually tell myself and challenged me to create more empowering stories. Well written! Cynthia Embree-Lavoie, Chief Financial Officer for a non-profit organization Reading this book was a delight. It was easy, of...
