Brand New Book ***** Print on Demand *****.Laughter, tears and unforgettable memories are all part of a typical day at Camp Seneca. Caitlin: She doesn't need her countdown calendar to tell her she only has one more day of waiting. She can't imagine the summer without her sister, yet she's already worrying about Maddy's move to college in the fall. Through her journey to find some badly needed independence, she stumbles upon a hidden talent as well. Brittany: She can't stop thinking about him. It's been 10 months since they've seen each other. It's natural for her to be excited to see him, right? It's natural for her to be curious about what he's been up to lately, right? How would her boyfriend Jack answer these questions? Sammy: Her 8th grade graduation has left her hoping to have bigger and better things awaiting her this summer. She's tired of being old, predictable Sammy. But first she has to forgive and forget in order to truly live the adventures she's been dreaming up. Rachel: She's psyched about all of the summer tennis tournaments. She's been working on her killer serve for weeks. But just when she's so sure she knows the game inside-out, she finds she has a lot to learn about its mental aspect. Luckily, she meets the person who can explain it all so clearly. Through it all, no matter how hot, tired or bug-bitten, as long as they're together, they are having the times of their lives.
