Reviews

Here is the greatest book i have go through until now. It is actually writter in straightforward words and phrases rather than hard to understand. I am happy to let you know that this is actually the greatest ebook i have read during my own life and can be he finest book for possibly.

(Mr. Manley Strosin)

31 SCRAPS: AND A COUPLE MORE

Pj Swink. Paperback. Condition: New. 152 pages. Dimensions: 9.0in. x 6.0in. x 0.3in.31 Scraps And A Couple More is about the perspective, the purpose, and the pursuit of life. From God Bless the Friends to Now 33 Scraps span Childhood to Grandma, Deep Sadness to Extreme Joy. Oh yes, there are actually 33 Scraps 31 plus 2 Bonus Scraps thrown in for good measure. It is always nice to receive a little extra. Yes We might call this collection a hodge-podge of life observations, but it is more. It is more than some poems and some prose. Maybe this book could accurately be described as a purposeful gathering of choice breadcrumbs jotted down over a lifetime. You and I both know - we ALL get lost from time to time. It is part of being A HUMAN. These are Notes to Self, penned to lead the way back. Picked from the multitude of papers stuck between pages of favorite books, notes placed at the back of dresser drawers, and scribbles on fast food napkins in the glove compartment of my car this is a smattering of helpers for when I am lost. Because Because Lost is just another leg of the human journey, it happens. We need remedies scraps of perspective waypoints from which to view success, joy, loss, sorrow, and the bitter scouring by our adversaries. These are my remedies, locational markers, and my dropped pins. All are scrap evidence of a life lived, rather than a life spent. I hope it is true: Many people will find glimpses of themselves in these scraps. We are all running in the same human race. Life is about balance I chose these scraps with intent, carefully. Some up, some down balanced, as I am convinced Life as a Whole is always...
