Brand New Book ***** Print on Demand *****.Excerpt from The Housing of the Working Classes For more than fifty years the conditions, under which a large proportion of the Working Classes live, have attracted public attention. This seems difficult to realize in face of the present position, though it is none the less true that many attempts have been made to remove the more pressing evils. Bright among the records of the past stand out many heroic attempts in this direction, and many honoured names are to be found among the pioneers of the movement. The value of their efforts we cannot too highly appreciate, though the measure of their success fell far short of the noble aspirations they had in view. To-day the work has passed out of the hands of the few large-hearted philanthropists and has assumed a national character, and with this change has come a vastly different attitude towards the problem. Where hitherto we found apathy, if not actual hostility, we find to-day hearty co-operation. Hence the last three or four years have been a period of unparalleled activity, and,...
