

The Universe, is it Guiding Our Lives? (Paperback)

By Fred Bonisch

AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The question about whether the Universe is guiding our lives has remained a mystery throughout all the ages. While scientific explorations have enabled us to venture far into space, we have come to recognize a vastness that is well beyond our human imagination. In spite of these enormous achievements, we have not come upon other life outside our small planet Earth. As the only known life-supporting planet in the universe discovered thus far, we should consider ourselves as unique and even special. This then raises the question whether we are the creation of a divine plan and if we are meant to serve a greater purpose. While we are limited to recognizing a physical world that exists around us, this book looks beyond the physical and into the possibility of a spiritual existence within the universe. Much of the world's population believes in a higher being, a divine creator, a God. This very idea provides us with a spiritual foundation from which we can venture into the silent, but by no means, lifeless realm of the universe. While we may be unaware...
