Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Code Penal Russe Ratifie par Sa Majeste Imperiale le 22 Mars 1903: Precede d un Oukase Imperial Et d un Avis du Conseil d Etat Lorsque ce Code n etait encore qu en projet, j en ai etudie la partie generale dans un article publie dans la Revuepe m tentz aire. Comme impression d ensemble et reserve faite des critiques de detail, cette partie generale m avait paru bonne. Je n ai rien a retracter de ce que je disais alors et je ne retracte rien. Ce serait, en effet, une souveraine injus tice de ne pas rendre hommage aux intentions souvent genereuses, aux sentiments eleves, a la science dont les fonctionnaires de l empire ont fait preuve en ecrivant cette loi nouvelle. En la comparant aux dispositions anciennes qu elle remplace et qu elle abroge, il est impossible de ne pas etre frappe des progres reels qu elle introduit dans les lois repressives de la Russie et qui, quelque soit l avenir, resteront definitivement acquis. Etje ne parle pas seulement ainsi relativement a la technique du droit, a la simplification de l echelle des peines, a la precision des formules, a la clarte introduite dans une legislation autrefois si complexe, si touffue et toute casuistique j entends me placer au point de vue des reformes qui tiennent au fond meme du droit et a la conception generale de la repression.
