Combining the excitement of international espionage and the awkwardness of elementary school, here is a terrific new series featuring five unpopular students who run a spy network from inside their elementary school. With the help of cutting-edge science, their afflictions are enhanced and transformed into incredible abilities. (The paste-eater can stick to walls)! Working as a team, they become the latest members of an elite organization whose origins are shrouded in mystery and have included such members as Benjamin Franklin, Harriet Tubman and Bill Gates.
