Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. I am delighted to explain how this is the best book I have got to study in my personal lifestyle and might be the best pdf for ever.

RELIGION, REALISM AND SOCIAL THEORY: MAKING SENSE OF SOCIETY (PAPERBACK)**DOWNLOAD PDF**

SAGE Publications Inc, United States, 2004. Paperback. Condition: New. New.. Language: English . Brand New Book. ` Philip Mellor s ambition is to save sociology from itself.or to save society from the sociologists. He has written a brilliant polemic and theoretically rich argument against the many fashionable contemporary social theories that provide acquiescent post-societal endorsements of the economic and technological forces that are hollowing out the religious, moral and human dimensions of societies. I am tremendously impressed - Kenneth Thompson, Professor of Sociology at the Open University Religion, Realism and Social Theory challenges those contemporary sociologists who argue that the notion of society is an outmoded basis for sociological analysis and instead revitalizes the idea that sociology is truly the study of society . Through a bold and original argument, Philip Mellor returns the human and religious aspects of social life to the centre of social theory, drawing on a vast range of contemporary social theoretical literature in the process. The book: comprehensively reassesses what societies are offers a detailed critique of current failings in social theory draws out the religious underpinnings of social life throws fresh light on the religious, cultural and social conflicts that appear to herald a new period of global disorder Religion, Realism and Social Theory will stimulate debate amongst academics and students of sociology and social theory, cultural studies and the sociology of religion.
