AB + Publications, United States, 2010. Paperback. Book Condition: New. 276 x 212 mm. Language: English Brand New Book ***** Print on Demand *****.ACCOUNTING FOR SUCCESS THE GUIDE TO CASE RESOLUTION Preface My book is intended for university students or candidates in accounting who are required to resolve multidisciplinary integrated cases as part of their studies. What I have written is based on more than twenty-five years of resolving cases; my experience has been gained from university teaching, consulting for accounting firms, and marking professional exams. The ideas you will find in this book are drawn from real-life student work, responses, comments and questions. I spent over five years writing the original edition of Accounting for success, first bringing together a great number of observations and then proceeding to their detailed analysis. My objective has been to facilitate the case learning process by using a practical and well-structured approach. Experience has taught me that resolving multidisciplinary cases within a specific context is one of the greatest challenges in the study of accounting. By opting for a clear, direct and concise approach, I have sought to present key elements in a dynamic and proactive manner, with the occasional dash of humor....
