*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever wondered how people maintained their deliverance from sexual immorality, perversion, or addictions that held them bound for years after receiving Jesus Christ as their Lord and Savior? If so, then this workbook is for you. Tearsa Hairston has released this companion workbook to her most recent book, Confessions of an X-Homosexual, in which she shares her testimony about how God supernaturally delivered her from living a lifestyle of homosexuality. In this workbook you will find thought-provoking questions and practical tips on how you can start to walk out your own deliverance. This workbook provides: - An opportunity for you to write down your answers to each thought-provoking guided question. This will help reveal where you stand in comparison to what God s Word teaches. - Pertinent scriptures to each guided question that serve as a navigation tool to help you, as the reader, get more acquainted with the bible. - Spirit-led prayers that you, as the reader, can begin praying specifically as you seek God s face in your alone time with Him. Let Tearsa Hairston show you how she won the battle and how you can too!.
