Brand New Book ***** Print on Demand *****.This book is a Common Core course for students taking 8th grade math. It can be used prior or during the 8th grade to help students excel. It teaches students the material that will be covered in the classrooms that follow Common Core curriculum. Besides including a complete Common Core curriculum, there are just the right amount of problems and solutions provided to orient the student for this course. This book is divided into 16 distinct days for learning. A student and teacher can develop their own pace. At the conclusion of the 16th day there is a chapter titled Beyond Common Core Math (Prep for 9th grade Algebra). The book is designed for self-teaching by a student or-for a teacher or parent working with the student. The ideal time to read this material would be the summer before taking the actual 8th grade course. However, it can be used any time during the 8th grade. In addition, there is a method revealed in the book that will truly show students how to get the most out...
