Reborn Phoenix Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. One out of eight women are diagnosed with breast cancer. What many breast cancer patients don't open up about, read about, or discuss are the fearful moments, the angry moments, and the sometimes funny moments that women experience, beginning with that first scary doctor's appointment. Ms. Cosner bares her soul so that we (the healthcare providers)...
