First time author Jean Lanahan takes us through a journey of awe, wonder and enthusiasm as we hear and feel her children s Enchanted Whispers. In our need to hurry and get through life we forget how to honor our children and our own inner child. This book allows us all to remember and hold dear those precious moments of childhood.and parenthood. A must read for parents, grandparents, and anyone interested in staying young at heart. Loretta LaRoche, Author of Life is Short Wear Your Party Pants; Inspirational Speaker/Humorist; Star of PBS As the mother of a 4-year old, I truly felt that Jean Lanahan captured on paper the enchanted world that children live in - their questions, their enthusiasm, and most of all their innocence. As with children, throughout the book it was the littlest snippets, the smallest phrases, and the slightest nuances that left the greatest impressions. A terrific read for anyone who wants to revel in, or even relive their childrens wonder years. Diane Danielson - National Director, Downtown Women s Club; Co-author of Table Talk: The Savvy Girl s Alternative to Networking Wisdom filled lessons are heard through anecdotes, poems, essays, and straight-from-the-heart conversations between parent and child. Text is displayed beautifully - easy to read - with a fairy s touch throughout. Parent/Reader It s all about experiencing the chaotic joys - the mystical rewards and the amazing challenges - of life with children TODAY, while it matters most! The Author.
