

Love and Death in a Perfect World (Paperback)

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Pearl Corwin)

LOVE AND DEATH IN A PERFECT WORLD (PAPERBACK)

Terra Nova Books, 2015. Paperback. Condition: New. Language: English . Brand New Book. Everyone wants a piece of Rosemary Ellis. Her husband, her high-maintenance kid, her pregnant friend, the neighbor with the scary husband, the lonely guy with cancer, the local water-fight forces. Of course she should give all she has to give. It's what women do, right? With stark insight and wry humor, *Love and Death in a Perfect World* follows the arc of a modern woman's life from tender adolescence to hard-edged middle age, offering a fresh, honest look at women's lives today. Blind to the traps, Rosemary believes she's in control. If I'm popular, I'll be happy; if I detach from my mom, I'll be free; if I have a family and high-minded work, I will win. But the blessed existence she has always seen in her mind's eye with its intact family, organic food, and solar-powered house fails to manifest. Instead of right livelihood in Santa Fe, New Mexico, a perfect world populated by enlightened people, she is confronted with a thorny marriage, a son she no longer understands, and a string of disturbing losses. If this is the right way to live, then why is it so hard? Against a backdrop of birth and death, financial turmoil, and environmental clashes, *Love and Death in a Perfect World* explores deep questions about human nature and modern life: How do we find connection in fractured middle-class America? How do we navigate a world that does not behave as promised? And where do we find the strength to rebuild our lives when expectations are shattered and the wrong people win? In *Love and Death in a Perfect World*, first-time novelist Barbara Gerber delivers a richly textured yet unsentimental portrait of...
