Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. 1001 Dark Nights is a collection of breathtakingly sexy and magically romantic novellas inspired by the exotic tales of The Arabian Nights. In the original, Scheherazade desperately attempts to entertain her husband, the King of Persia, with nightly stories so that he will postpone her execution. In our versions, each of our fabulous authors puts a unique spin on the premise and creates a tale that a new Scheherazade tells long into the dark, dark night. Mia Russo spent 10 years working undercover, entrenched in the dregs of society, before handing in her shield. Opening her own pawnshop is a piece of cake in comparison. All she needs is the bad attitude she developed on the streets and the shotgun under her counter to keep law and order. Until the day Zeke McBride walks into her shop. Zeke knows Mia has every right not to trust him. He was the one who chose the next op instead of her. And all he can hope is that somewhere under the snarl and cynicism is a woman who can forgive. Because whether she trusts him or not, they re going to have to work together to bring down the gang that s decided Mia is their next target.
