

Hope Draped in Black: Race, Melancholy, and the Agony of Progress (Paperback)

Filesize: 4.47 MB

Reviews

Great e book and beneficial one. It is amongst the most awesome pdf i actually have read through. You wont feel monotony at at any time of your own time (that's what catalogs are for relating to if you request me).

(Dorothy Daugherty)

HOPE DRAPED IN BLACK: RACE, MELANCHOLY, AND THE AGONY OF PROGRESS (PAPERBACK)**DOWNLOAD**

Duke University Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. In *Hope Draped in Black* Joseph R. Winters responds to the enduring belief that America follows a constant trajectory of racial progress. Such notions-like those that suggested the passage into a postracial era following Barack Obama s election-gloss over the history of racial violence and oppression to create an imaginary and self-congratulatory world where painful memories are conveniently forgotten. In place of these narratives, Winters advocates for an idea of hope that is predicated on a continuous engagement with loss and melancholy. Signaling a heightened sensitivity to the suffering of others, melancholy disconcerts us and allows us to cut against dominant narratives and identities. Winters identifies a black literary and aesthetic tradition in the work of intellectuals, writers, and artists such as W. E. B. Du Bois, Ralph Ellison, Toni Morrison, and Charles Burnett that often underscores melancholy, remembrance, loss, and tragedy in ways that gesture toward such a conception of hope. Winters also draws on Walter Benjamin and Theodor Adorno to highlight how remembering and mourning the uncomfortable dimensions of American social life can provide alternate sources for hope and imagination that might lead to building a better world.
