

## Seed of Genius: Nurture Your Natural Multiple Intelligences

By Ankur Gupta

Westland Limited, New Delhi, India. Softcover. Book Condition: New. Each person is born with the potential to be whatever they want to be. As a person grows, their mental faculties open up, they learn to use their intelligence in whatever task they are doing. Intelligence implies the ability to understand a concept, deconstruct, analyze and re imagine it. It is the ability to use all the mental faculties well. And, Intelligence is not fixed. If a person gets a low score in an IQ test, they can improve it the next time they take the test through practice. Thus, intelligence can be improved, it is not something that is allotted in a set quantity to each person. The author says that to function at an optimal level, to use their intelligence fully, a person first has to know himself. They have to realize their own strengths and weaknesses, what they are interested in and so on. Each person has particular areas where they are strong, and areas where they do not do so well. Once a person realizes their own strength, they should concentrate on developing it, not get obsessed and side-tracked by their weaknesses. This book aims to take people through the...
