Reviews

These sorts of ebook is the best publication accessible. It is amongst the most amazing ebook i actually have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

SULPHURIC ACID (HARDBACK)

FABER FABER, United Kingdom, 2007. Hardback. Book Condition: New. Main. 196 x 130 mm. Language: English . Brand New Book. Tired of traditional reality shows, the television audience wants blood, literally. One day, while out taking a walk in the Jardin des Plantes, Pannonique is piled into a cattle-truck. Suddenly, it seems, anyone can be picked up and hauled off to the studio without a moment's notice. Set in an unspecified time, Sulphuric Acid tells the story of this reality TV death camp which has become the nation's obsession - an amoral spectacle played out through the media - as we follow the shifting fortunes of Pannonique and her nemesis, the guard Zdena. A huge bestseller in her adopted France, it once again shows the unique voice and imagination of Amelie Nothomb.
