In this edition of The Preppers Handbook I expand upon my original writings by providing significantly more detail and understanding of the prepper lifestyle. I describe and explore The Survival Triangle including the Ten Commandments and Five Tenets of Prepping. The Five Tenets of Prepping provides the framework, understanding, and importance of traditional and nontraditional prepper techniques and recommendations. From the beginner to the expert prepper, this handbook will provide insight and understanding of how to insure the safety of your family, group, or organization in a manmade...
