INFLAMMATION: MECHANISMS AND THERAPEUTICS

Book Condition: New. Publisher/Verlag: Springer, Basel | The Seventh International Conference of the Inflammation Research Association, entitled "Inflammation, Mechanisms and Therapeutics" was held on September 25-29,1994 in White Haven, Pennsylvania. The major focus of this series of conferences is the multidisciplinary investigation of inflammation and the discovery of novel therapeutic approaches to inflammatory diseases. It was therefore particularly gratifying that the list of attendees included scientists of diverse backgrounds - preclinical biology, synthetic and theoretical chemistry, biotechnology and clinical research....
