

Life, Work, and Rebellion in the Coal Fields: The Southern West Virginia Miners, 1880-1922 (Paperback)

By David A. Corbin

West Virginia University Press, United States, 2015. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book ***** Print on Demand *****. Between 1880 and 1922, the coal fields of southern West Virginia witnessed two bloody and protracted strikes, the formation of two competing unions, and the largest armed conflict in American labor history—a week-long battle between 20,000 coal miners and 5,000 state police, deputy sheriffs, and mine guards. These events resulted in an untold number of deaths, indictments of over 550 coal miners for insurrection and treason, and four declarations of martial law. Corbin argues that these violent events were collective and militant acts of aggression interconnected and conditioned by decades of oppression. His study goes a long way toward breaking down the old stereotypes of Appalachian and coal mining culture. This edition contains a new preface and afterword by author David A. Corbin.

Reviews

Thorough manual for ebook fans. it had been writtern quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Dr. Catherine Wehner

Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.
