## OUR RV LIFE: FULL TIMING (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. We have been on the road for twenty years. This is our second larger motor home. Today we live in a 2000 Monaco Diplomat thirty eight and half feet with two slides. We have covered all the lower 49 states, most of Canada and Alaska. We parked the coach and flew to Hawaii, so we have visited all fifty states. We are sharing our wonderful life and some of the discoveries for those who RV or want to try the RV life. It is not a story of our lives, but information we have picked up in the 20 years full time. Most of what we know has been learned trial and error some of it from others who had already blazed the trail. We have spent time in the desert boon docking and driven all night. We have been stuck in traffic jams and shared our toilet facilities with strangers. Life had been good to us, we both love the closeness of the coach and the idea that our front yard is many times the open road. We can change states and still sleep in the same bed and have breakfast across the same table. For us it has been a wonderful life. it is not for everyone, but for those who are gypsies at heart is is the best life.
