It is a poor man's prep course for dealing with spiritual opposition, complete with exorcistic rites live and effective when delivered with passion by a righteous person. They have been tried and deemed effective against actual demonic entities (demons not included). They are real and can be thoroughly effective. Demonic predation is real. One can lose his life to those who come to steal, kill, and destroy. You will be inspired at worst, protected at best. Use them liberally. Learn from them.
