Reviews

The very best publication i actually go through. It can be packed with knowledge and wisdom It is extremely difficult to leave it before concluding, once you begin to read the book.

(Rhea Kunze)

SIMONE WEIL (PAPERBACK)**DOWNLOAD**

CASCADE BOOKS, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The present book reflects on the life, work, and legacy of an exceptional and enigmatic woman: the philosopher and French Jewish mystic Simone Weil. It constitutes a testimony so unique that it is impossible to ignore. In a Europe where authoritarian regimes were dominant and heading, in a sinister manner, toward World War II, this woman of fragile health but indomitable spirit denounced the contradictions of the capitalist system, the brutality of Nazism, and the paradox of bourgeois thought. At the same time, her spiritual journey was one of zeal and sorrow--that of a true mystic--but her radical intransigence and passion for freedom kept her from actually approaching the institutional church. Curious and insatiable, she wanted to experience, in the flesh, the suffering of society's least fortunate and the truths of other religions. The reader will need to develop a discerning empathy for Simone Weil's sensibility, beyond her particular passion and zeal, in order to appreciate her in depth. But undeniable are this truly singular woman's authenticity, her capacity to suffer, her identification with the other, her inner passion, her almost magical perception of the depths of the human spirit. And that is why her story merits being told as one of the great witnesses of our age. Following her pointed observation that witnesses are fountains from which theology springs forth, Bingemer offers a rich theological reflection on some of the central themes emerging from the life and thought of Simone Weil, one of the twentieth century's most intriguing mystics. The book brings Weil into the heart of the Christian theological tradition, while recognizing her desire to remain clear of any institutional determination. It is an important contribution to Weil...
