Circler Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Coffee-flavored erotica! Taste the bitter roast when a barista brews alone at closing time and is joined by coffee's physical manifestation. Roll the rich smoothness of steamed milk along your tongue while spies hide from the enemy and pass the time in tense pleasure. In this anthology of speculative erotic fiction featuring coffee shops, COFFEE: HOT, editor Victoria Pond brings together nine authors to explore coffee's connection with the erotic fantastic. Alcohol and erotica were frequent bedfellows in the 20th century, but now we're well into the 21st! Imbibing caffeine causes no hazy field of impaired judgement, and coffee shops are places to stimulate the mind and to socialize with all sorts. This volume contains stories ranging from Victorian London to a far-flung space station, from the quiet to the action-packed, from two-person sex to tentacles. (Wondering how there can be coffee shop erotica with tentacles? Read Dark Roast by Justin Josh to find out.) Readers love curling up in oversized plush chairs to read in cafes. Authors are drawn to working in coffee shops. But what hides beneath the milk-steamy surface of this glorious addiction? In a world where everyone is over-familiar with the steamer's whirl and the roaster's aroma, drinkers forget to stroke the glazed porcelain that holds their caffeine and radiates its warmth through their hands and into their hearts.
