

Faith and Gravity (Paperback)

By A B Bryson

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.The Material Universe is a thing full of wonders but it is not everything, it is not even half of everything. Is all of Science aimed at reducing humanity to materialistic nihilism? If we do not acknowledge the scientific method will its threat to the foundations of our faith be diminished? Must we demand that the believer show proof of faith by denying the study of the physical world? Believers enjoy the benefits of Science every day and most find that employing those benefits does not diminish their faith at all. Science is simply a wonderful tool and the key to its use is to understand it within its own limits. With each page we add to our understanding of the physical world our scientific knowledge becomes a hymn to the Creator. The walk of Faith is not diminished by an understanding of the material world beneath our feet. This book contains sixty meditations on the wonder of Science and the glory of God. It reminds us that, so long as we give first place to the Author of our...
