

Interceptive Orthodontics: A Practical Guide to Occlusal Management (Paperback)

Filesize: 4.14 MB

Reviews

It is an incredible ebook that we actually have ever study. This is certainly for all those who statte that there had not been a worthy of looking at. I am just pleased to inform you that this is the very best publication i have got go through during my individual daily life and can be he best ebook for possibly.

(Clarabelle Marvin)

INTERCEPTIVE ORTHODONTICS: A PRACTICAL GUIDE TO OCCLUSAL MANAGEMENT (PAPERBACK)**DOWNLOAD**

John Wiley and Sons Ltd, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. This book helps you identify problems and introduce solutions early for an ideal aesthetic result. Interceptiv Orthodontics: A Practical Guide to Occlusal Management aims to guide the practitioner in the art of interceptiv management of the developing dentition. The goal is to guide the permanent dentition into the line of the dental arches, avoiding complex orthodontic treatment for teeth displaced far from their ideal position, and thereby reducing orthodontic treatment time. This book covers growth of the jaws and tooth development, and explains the correct timing of interceptiv management. It also discusses orthodontic assessment, special investigations and comprehensive management of the mixed dentition, taking in the issues of early crowding, impaction, supernumerary and supplemental teeth, dental arch expansion, space maintenance and space management. In line with best available evidence, it provides clear treatment objectives and detailed treatment planning advice. Practical, accessible and illustrated with a wealth of colour images, this is an ideal clinical companion for general dental practitioners, oral surgeons, paediatric dentists and orthodontists. It is also a valuable reference for all training grades.
