By Neil a Hogan

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. Nathaniel E J Hogan (illustrator). 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. Tyrannosaurus Nathaniel is an intelligent dinosaur. The only intelligent dinosaur. But something happens to change that. Something that has been dampening the intelligence of all dinosaurs is suddenly turned off. They start to remember and become curious again. One by one the intelligent dinosaurs find each other. They find the tyrannosaur's house, his water and electricity experiments, and a deep hole he's been digging. Something is down there. An old city from years ago that they'd all forgotten about. But one thing keeps getting in the way of their new found connection. They are all very, very hungry. Can the herbivores and carnivores get along, find the ancient city, and start a new dinosaur life, or will their constant hunger consume their new civilisation like it did their ancestors? Dinory Excerpt It made his head spin when he started thinking about it. To all intents and purposes, he should not exist here like this. He had no idea where these skills had come from and no idea how he...
