BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Tracy Kidder won the Pulitzer Prize for *The Soul of a New Machine*. *House* and *Among Schoolchildren* were national bestsellers. Now this crackerjack reporter with a common touch (Philip Lopate, *The Washington Post*) has turned his talents to his most important and universal theme in this, a close-in study of old age in America. With care and exactitude, with the human compassion and humor for which he is famed, Kidder opens up a fascinating world to us that is, at the same time, foreign and compelling. The narrative takes place entirely in a nursing home and focuses on two old men struggling with their circumstances, their memories, and their mortality.
