

Supernatural: Mythmaker (Paperback)

By Tim Waggoner

Titan Books Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Sam and Dean Winchester have spent their lives on the road, battling every kind of supernatural threat. Over the years, after dozens of bloody adventures, they have faced everything from the yellow-eyed demon that killed their mother to vampires, ghosts, shapeshifters, angels and fallen gods. With the help of allies-both human and supernatural-they've discovered that every threat they vanquish opens a new door for evil to enter in. Teenager Renee Mendez is a talented artist living in Corinth, Illinois. She loves drawing the strange gods that feature in her dreams, without realizing that when she depicts them on canvas, they come to life in the real world. When Sam and Dean Winchester come to town to investigate the miracles these new gods perform, a battle for supremacy breaks out. As their war for followers rages, the gods will destroy each other-and the town's population-until only the strongest remains. A brand-new Supernatural novel, set during season 10, that reveals a previously unseen adventure for the Winchester brothers, from the hit TV series!.
