

The God of Science: The Bible Was Science Before the World Coined the Word Science

By Ifeanyi Chukwujama

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.God is infinite energy plus the sum total of all the energies in the universe, visible and invisible; thermal, nuclear, sonic, light, magnetic, electrical, chemical, potential, hydrostatic, and all of the other forms of energy known and unknown; enthalpies and entropies. Evil exists because good exists. God created Satan so God could demonstrate His powers against Satan. And without evil to contrast with, it will be difficult to understand good; and almost impossible to understand how difficult it is to do good. God allowed evil around us so we can develop aversion to it, and continuously choose good for our own goodness. You have not loved until you show love in the middle of injustice and unfairness. Everything God created in the natural has a spirit God matches with it, that controls it. Every discrete particle; every living cell; every microorganism or virus; every discrete body tissue or body organ; every structure; every motion; every human emotion; every discrete object or system of objects; every celestial body or orbital system; every human establishment or human society-if it is...

Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
