THE MALADY OF THE CENTURY (PAPERBACK)**DOWNLOAD**

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Come, you fellows, that's enough joking. This defection of yours, melancholy Eynhardt, combines obstinacy with wisdom, like Balaam's ass! Well! may you rest in peace. And now let us be off. The glasses, filled with clear Affenthaler, rang merrily together, the smiling landlord took up his money, and the company rose noisily from the wooden bench, overturning it with a bang. The round table was only proof against a similar accident on account of its structure, which some one with wise forethought had so designed that only the most tremendous shaking could upset its equilibrium. The boisterous group consisted of five or six young men, easily recognized as students by their caps with colored bands, the scars on their faces, and their rather swaggering manner. They slung their knapsacks on, stepped through the open door of the little arbor where they had been sitting, on to the highroad, and gathered round the previous speaker. He was a tall, good-looking young man, with fair hair, laughing blue eyes, and a budding mustache.
