Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.After five years of an exciting life in Miami, Regina Solberg has another choice to make. Medical school behind him, the new Dr. Frank Solberg opts to extend their stay in the jungle by another five years to complete his internship and residency training in Orthopedic Surgery. Although Regina reluctantly agrees, she still sees the menacing letter from a former patient lurking around every corner in her mind: Frank, I must see you. I am pregnant and we must discuss what we are going to do about it; I will not have an abortion. In spite of her love for adventure, Regina has always been petrified of roller coasters. The feisty missionary is unaware of the fact that by her consent to remain in Miami, she just boarded the platform of a tripple-looped speed racer. Now that it is too late to turn back, Regina is forced to buckle up for the plunging, soaring race through the tragic but humerous entertainment that the wild ride promises. However - when she steps off the ride into a small, Mayberry type town that leaves her with the You ve -got-to-be-kidding! feeling; she finds herself asking the Great I Am all kinds of questions!.
